*Madden enjoying some hydrotherapy!*

Dear Laura,

I am writing you to express my personal appreciation for The Monte Carlo Inn's recent gift of \$4,000 to The Darling Home for Kids. The proceeds from the annual **Teddy Bear Toss** and **Round Up 4 Kids** fundraising campaign will help us to continue making a significant impact on the lives of families raising children with complex medical needs in Ontario.

Your gift makes possible the up-keep of our state-of-the-art facility and our capacity to provide important respite, palliative, and residential care to families in need. While receiving care, children also will have access to a number of unique therapies and engaging activities in a place that feels like home.

*"We have been so impressed with The Darling Home for Kids on every level. The care is second to none. The activities are designed to appeal to all the children, whether it's therapy dogs, arts and crafts, swimming, the Snoezelen room... not to mention how beautiful, clean and fully accessible the Home and property are."*

- Kristine Pettipas, Madden's Mother

We are truly grateful for the Monte Carlo Inns' continued support and commitment to our mission of optimizing the quality of the lives of children living with life-limiting or life-threatening illnesses, and on behalf of the many families who will benefit because of you, thank you again for your generous contributions. We look forward to working with you for the coming seasons.

Sincerely,

Melody Jackson
